----- @@@ -----

With references to the above, the Deputy Executive Engineer (R&B) (M&H), Guntur has reported that in his letter 2nd cited that he inspected the above said school building on 26.02.2021. The existing school building consisting of south side block in (G+2) RCC roof slab structures and the following observations are listed below.

1. The South side block constructed in the year 2004 and aged about 17 years on enquiry from the management.
2. The Building is Structurally sound at the time of inspection.

Yours faithfully

Executive Engineer
(R&B) Division, Guntur
