

Admission Announcement Circular

For classes K1 to IX (2023 – 2024)

February 24, 2023.

Dear Parents,

Greetings of the Season!

This circular is to inform you that the **Admission procedure** for the academic session **2023-2024** for **Classes K1 to IX** started on **February 20, 2023**.

We are making the essential preparations for the upcoming academic year at our institution. Our school, as you are aware, is a place brimming with the energy of curious minds and the dynamism of individual characters. We strive for academic success and also develop life skills in a disciplined, pleasant, and supportive environment that encourages everyone to thrive. We recognize that many parents prefer to send their kids to a nearby school with hygiene facilities and individualized attention with fewer children in each section, so we operate **sections of 30 students** in all classes.

The **Enquiry form**, which costs Rs. 1000, is available at the school office from **February 20th to March 12th, 2023**. The completed enquiry form must be submitted to the school office immediately. Interested parents can take a tour of the school between 10 a.m. and 3 p.m.

The enclosures required along with the admission enquiry form are as follows:

- Latest passport photo of student.
- Photocopy of birth certificate
- Aadhar card photocopies of the student and parent

Following the successful completion of the application procedure, the parents will be notified by mail or message of the day and time of counselling and the interview. The final selection will be decided purely on the basis of counselling and the interview. Lastly, the school office will provide information about admission confirmation, and then admission must be taken within the following three working days or as instructed.

For more details please contact: 9346 49 4646

Regards,
STEM SCHOOL.
